Centerville #33

Have a faBOOlous October!

A cancer that forms in the cells of the breasts. Breast cancer can occur in women and rarely in men. Symptoms of breast cancer include a lump in the breast, bloody discharge from the nipple, and changes in the shape or texture of the nipple or breast.

Treatment depends on the stage of cancer. It may consist of chemotherapy, radiation, and surgery.

In Honor of Breast Cancer Awareness, on Fridays, we wear pink!
